HARRY S. TRUMAN
FEDERAL RESERVE BANK BUILDING
KANSAS CITY 6, MISSOURI

April 28, 1955

Dear Judge:

It certainly was a pleasure to be
with you the other evening. I enjoyed that
meeting very much. The Governor of Puerto
Rico stated the case of Puerto Rico as clearly
and thoroughly as I have ever heard it stated.
Thanks a lot for the Thomas Stokes article.
I appreciate very much your thoughtfulness in
saving it for me.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "Harry Truman", with a long, sweeping horizontal line extending to the right.
